

COLLABORATING WITH ST STEPHENS WEST BOWLING BRADFORD

A recent fact finding trip to Bradford revealed some wonderful opportunities for our mission adventure in the summer holidays. The Shine Project is an inspiration. (www.shinewestbowling.org.uk), and we met people who are excited about our visit. We have some specific needs to meet in the weeks ahead.

- Prayer support before and during the mission
- Financial support
- People to come with us

Here's an update on what you need to know:

WHEN? Tuesday 23rd –Monday 29th August. You can come from the Tuesday to the Saturday (holiday club), Saturday to Monday (church and community events) or the whole time.

WHAT? We will be running a holiday club on four mornings Wednesday to Saturday, ending with a BBQ on the Saturday evening. This will follow a briefing/training/preparation time on the Tuesday afternoon. We will attend the church service on the Sunday, which will be a holiday club special. Then there will be community projects (exact details to follow) on the Sunday afternoon and Monday morning before we return to Letchworth on Bank Holiday afternoon. There will be three free afternoons on Wed-Fri, with trips to the Dales, Haworth, Saltaire, local attractions, whatever grabs you!

WHO? This will be open to anyone who wishes to learn, help and lead in these activities, for example you don't need to have attended our own holiday club! Should a young person (age 13 +) wish to come without their parent then this will be possible (please speak to Claire)

HOW? We'll mostly drive, accommodation will vary from staying with local church members, the church hall, B&B's and hotels. You tell us what you would prefer and works for you and we'll be in touch. There will be team breakfasts and lunches each day (in the church hall) and two meals out on the Thursday and Sunday night. Other evening meals will be provided by our hosts, the BBQ and team meals.

COST? This will vary depending on your accommodation preference, but we don't want finance to be an obstacle, so please talk to us. For example accommodation will range from being free to about £60/couple in a local hotel/night, we will take contributions towards food, transport etc

WHY? Because we believe this is a special opportunity to work alongside a church being a lighthouse in its own unique community, we will learn much and much will be asked of us. As we go and trust God, we will be disciplined and help disciples
