

Praying through this week 3rd August

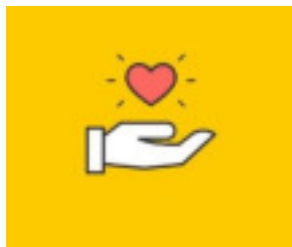

**The Lord your God is with you, ... He will take great delight in you,
He will quiet you with his love,
He will rejoice over you with singing (Zeph. 3:17)**

Loving Lord,
we thank you for your glorious promise that you delight in each of us,
that you will sing with joy over each of us.

We rejoice in your peace filled quietening, renewing love...
We thank you for your faithful promise that you are with us always,
even unto the end of the age.

Perhaps reflect on what it means and feels like to know that despite
our faults and shortcomings, God delights in you, me...

When have you felt God rejoicing in song over you? How did you
feel? A prayer of thankfulness?
