

Praying through this week 13th July - Kindness

**Kind words are like honey, sweet to the soul
and healthy for the body (Proverbs 16: 24)**

Loving Lord, we lift to you those whose kindness
has touched our lives
and given us hope when we most need it;
whose kindness is known only to those who receive it,
whose words of peace and understanding
bring comfort, strength and healing.

Those whose gentle assurances are our rock and cornerstone
Those whose lives are channels of your unfailing love for us.

Lord, in thankfulness and praise,
we lift to you all whose kindnesses touch our lives.

Perhaps pause, name and give thanks for kind people in your life...
