

Praying through this week 20th July

Jesus Christ is the same yesterday and today and forever
(Hebrews 13:8)

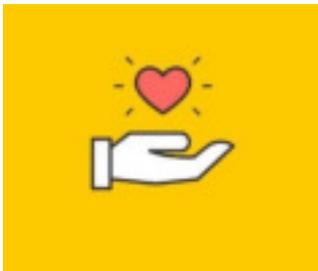

A Celtic Prayer

May the grace of God's love enfold you,
May the warmth of God's peace embrace you,
May the strength of God's word empower you, May the light of
God's glory guide you
This day and evermore.

Perhaps pause and reflect on where, during the past days, you have
met God's grace, love, peace, strength, light - and embrace...

How did that feel each time?

Give thanks and praise to our loving Lord...
