

See... look familiar

Hey... that's our church... on your computer thingy... but where's all the people?

We're here Bert... watching from home... but still connected... we're the church!

Well that's all well and good Maisy.

...but how does that help us... I was made for the stage...

(or in our case, a bit of old black cloth on a curtain pole) - we're performers

Is that your phone ringing Bert?

Oh... who could that be?

Hello... whats that... you need 5 sketches for Holiday Club - to be broadcast in July!

looks like we're in business after all

Better than that Maisy - we'll be on the big screen...

Hollywood here we come!
