

Praying through this week 11th October

God uses ordinary people like us in extraordinary ways,
for his glory.

When we feel ordinary, unworthy, think of the Apostle Peter,
of Paul, of yourself..

What is God asking of you, doing with you?

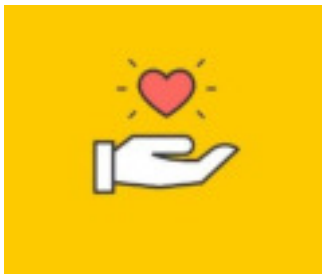

*God uses "unworthy" people to do his work so that we never think it
is "me" who is accomplishing his work.*

*The older I get the more I think - God, you were so patient with me.
I didn't do it right - and you still did it right for me, you still used me
(Richard Rohr)*

How is God using ordinary you and me - for his glory?

Give thanks and praise.
