

Praying through this week 9th November 2020
Remembrance

“Do this in remembrance of me...” (Luke 22:19)

Lord Jesus, we pause and reflect on your words, so familiar to us...

In humility and in gratitude beyond our earthly words,
we remember - and thank you for your loving sacrifice -

we remember your suffering

we remember your glorious rising in glory..

freeing us from all that is not of you.

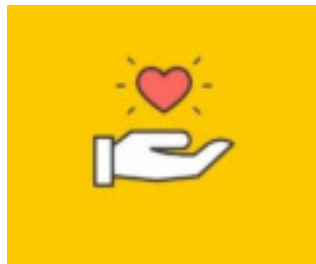

As this week we reflect on and honour those who have gone before us,
Grant us courage and faith to put our trust in the future you have planned
for us,

For you alone are our everlasting source of light and love.

Perhaps reflect again on the meaning of those beautiful words from Jesus
to each of us...

“Do this in remembrance of me”....
