

Praying through this week 4th January 2021

A PRAYER FOR EPIPHANY...and for us.....

Lord Jesus, the Magi journeyed in faith and trust to find you.

We too search for you all our lives:

Help me to find you, Lord, to “be” with you, to rest in your presence

The Magi brought you precious gifts,

Grant that I may offer you the gift of building your kingdom
through my daily life..

At your birth you came to the world that did not know you..

There was no room for you at the inn

Examine my heart Lord, as I ask myself

”Is there room for you in my heart? Everyday?”

The Magi left their homes and lives to search for you,

a king whom they did not know..

Lord, give me the grace and humility to leave the false securities
of this world behind and journey with you in the safety of your love.

Lord, you called me out of darkness into your light.

Grant that in my daily life I may shine your light to all whom I meet.

Pat

We are so looking forward to continuing our journeying together with
everybody, in the Lord’s presence, in the days and months of this New
Year, 2021. With love and prayers, Pat, Vicky, Rachel C. (the ISP Reflective
Prayer team)
