

Praying Through This Week 10th May 2021

FRIENDS WITH JESUS. Continuing a conversation with Jesus....

What a friend we have in Jesus,
All our sins and griefs to bear,
What a privilege to carry,
Everything to Him in prayer

Loving Lord, faithful friend, so often on our journeys with our earthly friends, you know that we stumble - we're only human - and sometimes, as you know, rocks, hard places, misunderstandings temporarily cloud our friendship journeys.

But you, Lord, on our journeys with you,
You lead us between the rocks strewn on our way; you navigate us through life's stormy waters, you keep leading us into the light ahead.
And I realise that the light ahead is a reflection of you, of your light, of your love.

It is You - ready to bear all for us
And I am filled with overwhelming love for you.

What a joy to be on this journey with you.

What a privilege to carry,
Everything to you in prayer...

What a friend we ALL have in Jesus.

- Perhaps there have been/are times in your life when rocks, hard places, choppy waters have clouded the way to peace and love - talk to Jesus about them?
- About the times when you have seen the light that is Jesus.
- Give thanks for his faithful company?

Have a look at ZEPHANIAH 3:17 – rejoice and give thanks.
