

Praying Through This Week 12th July 2021 - Change

Jesus Christ is the same yesterday and today and forever.

Hebrews 13:8

Change can bring amazing things and opportunities, but it takes us into the unknown and can seem very scary, especially when it seems that nothing is familiar anymore. We worry that these changes may not be what we want, but we will never know unless we try. Change for many of us, is best done slowly, and we may feel sometimes we have taken a small step back, or not moved forward for some time.

But one thing that ALWAYS remains the same is God, he will be there for us whatever, gently encouraging us.

Not only does he support us in our journey, but rather than providing us guidelines for the journey, he actually sent us a companion – Jesus to walk that path with us.

Loving God

When we are scared of change,
and what the future may bring
Be with us, support us and guide us
Encourage us and calm us
Help us to see the benefits it brings
Amen
