

Praying Through This Week 2<sup>nd</sup> August 2021

LORD, WE ARE SO GRATEFUL...

Lord, you have given us laughter and song;  
work and leisure, hope and anticipation,  
cleansing and renewal.

Accept our praise and grateful thanks we pray.

You have filled our days with journeys and discoveries,  
with striving and succeeding; with energy and stillness.  
with solitude and togetherness.

Accept our praise and grateful thanks we pray.

You have offered us hope and a new beginning,  
Comfort- and faithful encouragement,  
Forgiveness and mercy.

Accept our grateful thanks we pray.

Above all, You have given us Your love,  
Your Son our Saviour,

We offer you our heartfelt gratitude and adoration.

Lord, accept our grateful thanks we pray.

**Might it be good to just “be” and pray each line again,  
giving grateful thanks for each of God’s gracious gifts...**

Pat.
