

## Praying Through This Week 18<sup>th</sup> October 2021

### Harvest

Harvest is such a joyous occasion...the reaping of reward for the often slow and painful process of growth after seeds are planted and lovingly and tenderly nurtured.

God has such a promise for us:

**“Those who sow in tears**

**will reap with songs of joy.**

**He who goes out weeping,**

**carrying seed to sow,**

**will return with songs of joy,**

**carrying sheaves with him.” Psalm 126:5-6**

- Can I invite you to pause a while with God...open your mind to His word as you read these verses through slowly, prayerfully, allowing their meaning to flow through you?
- Perhaps reflect on God’s promise in light of where we are in our own lives and spiritual journey?

Let us remember the words of Jesus to his disciples, **“...The harvest is plentiful but the workers are few.” Matthew 9:37**

- Are we able to reach out to someone to help them know the promise God has for them?

Let us spread the good news of the harvest!
