

Praying Through This Week 1st November 2021

PAUSING TO REMEMBER THE “ LIGHT OF JESUS”

Lord, when we feel surrounded by uncertainty, sad news, darkness in our world – you call us to pause and enter the healing “[light of Christ](#)”, In this moment, we pause and reflect on some of those times when we have felt “down”, uncertain, perhaps fearful....

As we rest now in Your presence...

- ❖ we “offer” those and all similar moments to You, asking that you will take from us our burdens....and in Your loving grace will...
- ❖ bathe us in the light of your healing love.....
- ❖ bless us with the peace of Your light in our hearts....
- ❖ remind us to remember to shine Your light on all whom we encounter in our daily lives, especially those whose need - of whatever kind - is greatest....

[“now you are light in the Lord. Live as children of light.” \(Eph. 5:8\).](#)
