Heavenly Father we come before you with praise and adoration for who you are and what you have done. We bless your holy name, and with thankful hearts we worship you. Lord we ask that your healing power touch those of our church family who are unable to be with us today through illness. We think of those especially who are in hospital and ask that you will wrap them in your arms of love and comfort, may they know your presence and your peace. We particularly pray for Harold whilst he is in hospital and ask that you will strength him daily whilst giving Jane your peace and comfort that her Husband is being well cared for.

Father we continue to pray for our medical professionals as they try and catch up on those who have missed medical treatment which has been delayed due to the pandemic. We pray for scientists that you will inspire them to create new medical treatment and medicines that will irradicate the toughest diseases. We thank you for our doctors and nurses who work so tirelessly in helping people.

Lord God as we hear of those still struggling financially, we see in the news every day of the rise in costs of living, of people having to choose between eating or heating their homes this winter. Meet their need Lord, help us to be part of that answer to prayer, guide us as a church in how we can support people, may we back up words with practical action. Lord remind us that we are Your love in action in our community.

Father we remember Her Majesty the Queen as she celebrates her reign of 70 years, we pray a special blessing on her and thank you for her faithful service over these 70 years. We thank you for

the christian example she has been to us and how she shows the importance of her faith to the nation. We pray that as a country she will feel our love and appreciation this year throughout the various celebrations. We ask that you bless her with good health As she continues to reign over us.

Lord Jesus we remember those who live in other countries, Lord you love everyone the same. Help us to remember those in war torn land's where innocent people are living in constant fear for their lives. We ask that you give them peace, that you will bring people to their government's that can bring an end to the atrocities and that will protect the people they serve. We thank you for those missionaries who support in various countries throughout your world, we thank you for their passion, their courage and the way they show your love to different cultures and people.

In particular we pray for the Ukraine Crisis and ask that you will bring wisdom and peace to those in power. We ask that the armies of heaven will rise up and be an invisible force against the possibility of invasion. You are God....it's your world.....We pray for a miracle that peace will overcome adversity.

Merciful Father accept these prayers for the sake of your Son our Saviour Jesus Christ.
