

As you enter into Jerusalem Lord Jesus, palm leaves wave in triumphant celebrations. Today we join with the crowd waving palm leaves, to thank you for the path you were prepared to walk, the price you paid, & the victory you won.

As our Palm leaves wave in celebrations Lord, may this Palm Sunday & the journey towards Easter touch our lives.

Lord in your Mercy Hear our prayers.

We lift before You a world which continues to grapple with the relentless effects of conflict. We see the atrocities happening in Ukraine & the desperation of its citizens. Lord God, we pray for resolutions to be found. We ask for hearts & minds to be changed. Rather than seeking, violence, destruction & power, have leaders witness the power of your humility & the strength of your complete love for mankind. To have them serve their people with grace & to lead righteously.

Lord in your Mercy Hear our prayers.

Father God, how thankful we are to live in a land of peace. Celebrating 70 years of her remarkable reign, we pray for our Queen. We ask you Lord to continue to grant her health and strength to enable her to fulfil the demands of her role. We thank you for her service to our nation and to the church. May her Jubilee be a wonderful, uniting celebration for her & our nation.

Lord in your Mercy Hear our prayers.

As Your church, our hope is always to follow your guidance & leadership.

Lord Jesus, we pray for our annual meeting. We thank you for Emma & Beki who have given of their time over the most challenging of times. Lord, we ask you to stir a passion within us to serve & raise us up as we hear your calling to step outside the comfort zones of our lives & join with us as we build for our tomorrows.

Lord in your Mercy Hear our prayers.

On this Palm Sunday, Lord let us continue to celebrate with the crowd as we begin our journey through Holy Week.

And as we witness you approaching, riding on a donkey with cloaks & palm leaves been laid down before you. So, in a moment of prayerful silence, we too can gently lay the cloaks of our lives down before you. PAUSE

In humble gratitude we say together

Merciful father Accept these prayers for the sake of your son our saviour Jesus Christ Amen.
