

Praying Through This Week 4th April 2022

Praying and reflecting as we continue to walk with Jesus...

[Bible Ref....Luke's narrative of Jesus' last journey to Jerusalem.](#)

Lord Jesus, we thank you that you journeyed towards Jerusalem, healing, teaching, loving, as You always did...

knowing what lay ahead, but **never** turning aside...

Sometimes, when our faith journey seems tough, do we journey on, not turning aside? Or..?

Lord we thank you that you heard and made possible the "Hallelujahs" of ordinary people.

Grant that when the shouts of acclamation die,

We may have the faith and trust to still walk beside you, even to the cross.

Help us never to turn aside from your love.

In our humanity, when we do "turn aside" from Jesus, who/what calls us back? How?

What is our response? What do we do, I wonder?

Perhaps talk to Jesus now about these things?

And Lord, as we look ahead to Your Passion and Resurrection, may we remember Your words.

["I am with you always, to the very end of the age" \(Matt 28:20\)](#)
