

## ***Prayers for the 12<sup>th</sup> of June 2022***

O Lord, our God, you are a mighty, awesome, and amazing God and we take this time to adore you and to thank you for always being there for us. Your power is boundless and You are worthy of it all. For from you are all things and to you are all things Lord.

Heavenly King, I ask that you come meet with us at this time as we draw closer, quietening our thoughts to focus on you.

### ***Lord, in your mercy, hear our prayer***

Holy Spirit, you know us Lord like no one else ever will. You know our struggles, our battles and the mountains we are fighting against. More than anything Lord, we ask for a fresh and personal experience with you, to feel your presence like never before. We need more of you Lord, more of your love, your joy, your comfort, and guidance. We thank you for you are everything that we need.

### ***Lord, in your mercy, hear our prayer***

Loving Father, we ask that you help us in our relationships with others. Teach us to be kind as opposed to being driven by a desire to be right.

Help us to serve others, putting them above ourselves. Show how us to be kind in our families, at work, in the community, in school, in church and in all areas of life.

Teach us to be truly compassionate, putting ourselves in the shoes of others always.

### ***Lord, in your mercy, hear our prayer.***

Loving and faithful God, through your Spirit, bless and protect us, our friends and families, our community of Letchworth and our wider church community.

I take this time to pray for the return of the luncheon club this week, asking that it will be a place of refuge. I pray that this is the start of the progress to this becoming a full and vibrant weekly session like it used to be. A place where people can feel your goodness and your joy.

### ***Lord, in your mercy, hear our prayer***

We pray for the sick and those in need who have nowhere to turn. We pray for those that are living with any form of ailment seen and unseen where they need your healing Lord.

You are the way when there seems to be no way. I ask you Father to take control of these situations as we spend a few moments in silence bringing forward names of people on our minds that we know need your healing from all kinds of painful circumstances.

### ***Lord, in your mercy, hear our prayer***

This week, I pray for your wisdom. I pray for your guidance, and I pray that we encounter you in surprising and refreshing ways this week.

***Merciful Father accept these prayers for the sake of your Son, our Saviour Jesus Christ. Amen***
