

Intercession Prayers 26JUN 2022

Stop.

Let us be present for the Lord our God

Let us be joyful that we have made it here today

That we are in your presence, Lord

Whatever else is troubling us in our lives

Let it fade away for a moment and let your peace fall upon us

Lord in your mercy...

Gracious God of Past, Present and Future

There are so many flashpoints of disaster in our World

So many reasons to look at the Future with trepidation and sadness

Let us centre our thoughts around the many people who are in need, one way or another

Let our hearts be filled with gratefulness that we can exist in a country where Peace is prevailing

Where we have Freedom of Speech and the liberty to love and worship without fear

Today, we vow to never take these things for granted

As we lift our prayers of hope, encouragement, and love to you

Lord in Your Mercy.....

God of Creation

Life begins with you

And it evolves through our worship of you

May we always remember to thank You

For giving us the freedom to

Think for ourselves and love wholeheartedly
May these God-given abilities also enable us to approach others
Without judgment
But with a willingness to learn, love and to help whenever there is a need

Lord in Your Mercy....

Loving Father, Your Son changed the World with Your Word
Today we are here to receive your message too
And we do so in the knowledge that You are always guiding us forward
We pray that we will have the courage to follow you
Not like sheep being led
But as disciples with open eyes,
Eager to serve as role models for Christian living in our community
May our efforts inspire others to seek you,
And receive the gift of Life through You

Lord, Accept these Prayers.....
