

Praying through the week 23rd January 2023

After Jesus was born in Bethlehem in Judea, during the time of King Herod, Magi from the east came to Jerusalem and asked, “Where is the one who has been born king of the Jews? We saw his star when it rose and have come to worship him.” Matthew 2:1 NIV

Epiphany has 2 meanings:

- The manifestation of Jesus to the Gentiles as represented by the Magi
- A moment of sudden and great realisation

This is interesting as much as anything because I would imagine that both were applicable to the Magi. The fact that they were led by the star to an ordinary baby, who was in fact extraordinary and the Son of God. But also how they felt when there was that moment of great realisation that this was actually true. I wonder if this moment came straight away whilst worshipping the baby. Or at this point did they just realise that he was something special, but not quite what that meant.

Do we really understand quite how amazing this new baby was?

Even now, when we have the benefit of the Bible stories that tell us of his life? Do we really, truly understand?

Will we recognise him for who he really is, when he comes again?

Let's pray we do

Vicky
