

Praying through the week 22<sup>nd</sup> May 2023

God & King

As we celebrate King Charles' coronation, so too we rejoice with ever grateful hearts that Jesus, the Servant-King ...our Redeemer-King ... our Shepherd-King is [Lord of lords and King of kings \(Rev. 17:14\)](#), [to whom "all authority in heaven and earth has been given" \(Matt. 28:17\)](#). Perhaps we might like to pause and consider these names? What do they mean to us? How might we want to respond?

**"Jesus is King and I will extol Him,  
Give Him the glory and honour His name."**

Let's come to Him now in quiet reflection to worship Him, each in our own individual way. Maureen
