

Praying through the week 3rd July 2023
God The Son

God the son - (God the Father, God the Son, God the Holy Spirit, the Trinity).

"I and the Father are one" (John 10:30)

In our prayers today, could we thank Jesus for this bold statement which reveals his total "oneness" with God.

a unity of steadfast love for each of us.

- ❖ Give praise and adoration to the Lord for that time when you sensed deeply that steadfast love?

A unity of guiding, shepherding you.

- ❖ Praise and thank the Lord for His watchful, tender care which knows all our needs?

A unity of protection.

- ❖ Give thanks to the Lord for His protecting arms of unchanging love around you.

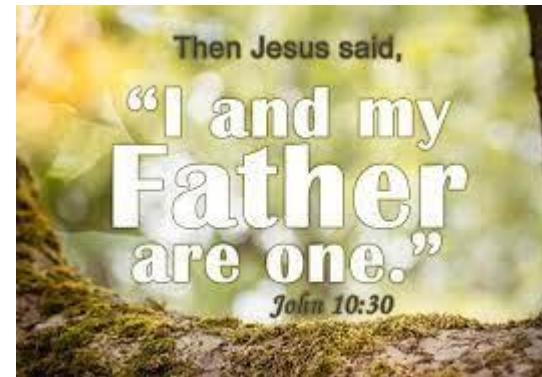

A unity like no other....

- ❖ How does it feel for you to know yourself loved, guided, protected – and so much more, by God the Son? Perhaps you would like to explain to God, Jesus, now?

Above all, let us give thanks and rejoice in the oneness of God the Father in God the Son – Jesus.
