God The Son

**And the Word became flesh and dwelt among us, and we have seen his glory, glory as of the only Son from the Father, full of grace and truth.**

John 1:14

Since hearing the song 'Mary Did You Know?' many years ago (copy included in the pack), it has always fascinated me how much Mary realised about Jesus' future, when he was laying in her arms as such a helpless baby.

Clearly she knew he was no ordinary baby, she had after all been visited by the angel. But neither I am sure did she appreciate quite how much he would change history, with not only his words and deeds but by his death. Jesus came with a purpose, and he completely fulfilled that.

But what about us, have we achieved all that we hoped to? I wonder what plans our mothers had for us?

While we are highly unlikely to change history, we will have achieved our potential if we have become good, kind, prayerful Christian people. That is certainly what God would have planned for us. Let us continue to strive each day, to better ourselves and fulfil our Christian potential.
