

Praying through the week 31st July 2023

Thank You My Father

Dear Father, maker of all things.
Thank you for this summer's day
Full of warmth , sunshine and flowers
And trees that sway in the gentle breeze
Against the beautiful blue sky
That tells us you are there.

Dear Father, giver of Love.
Thank you for loving us so freely
For trusting us with such treasure
Of a love that we can share
A love that makes our hearts expand
With total joy and thanks.

Dear Father, our constant guide.
Thank you for always being by our side.
Even when we don't know you are there
You lead us safely through the day
And when the sun goes down and again we pray
To thank you for this summer's day.

Amen

Linda
