

Praying through the week 4th September 2023

The Environment

"The earth is the Lord's and everything in it." (1 Cor. 10:26)

Wild fires, catastrophic floods, melting ice caps, waste.....all on a world scale..

Lord, what can each of us do to help in safeguarding our environment?

Could we daily....

- Ask for God's grace to care for His earthly gifts..for the beauty we see around us...
- Pray that God's earth be saved from wanton polluting of rivers and seas...
- Pray that forests which protect our air and wild life, be protected...
- Pray that in a world whose fruits are rich and nourishing, God will save us from waste and greed...

As daily we remember that "The earth is the Lord's and everything in it" let us give thanks to God that even our tiniest efforts to care for our environment, are pleasing to Him...
