

Praying through the week 30<sup>th</sup> October 2023

Harvest

**Growing in faith.**

Our Lord and our Father,  
The creator of all  
You planted a seed within our hearts  
So precious and so small

And as our seed grows  
We get stronger every day  
But sometimes we can break  
When troubles come our way.

It's then, you patiently replant us  
With tender loving care  
For life can be so very hard  
When we forget your there.

You take away the weeds of life  
Then gather our seeds of prayer  
For our souls will grow to you in love  
Leaving bread for our world to share.  
Amen  
Linda.
