Epiphany

EPIPHANY ...WHOSE? the WISE MEN'S...and OURS?

The **Wise men** said “We saw His star in the east and have come to worship Him” (Matt 2:2). In their wisdom, they realised something momentous had happened, somewhere and in faith and trust, set out on a journey of discovery leading to a wonderful revelation - God revealed on earth in the infant Jesus to them, and to the World. Their “epiphany” moment

And us? Our “epiphanies”? As we embark on this New Year, our new beginnings, would it be good to pause and reflect on our “epiphany” moments of last year?

- ✚ those times when God revealed Himself to us in a new, perhaps deeper closeness - when “something clicked” that changed our closeness to God.
- ✚ those times when we suddenly realised that God is “walking beside” us and will “never leave us” (Matt 28:20).
- ✚ those times when we suddenly realised that God loves us unconditionally.

And so many more - and give thanks and praise - and ask

“This year, how can I reveal Jesus to people, as the Wise Men did through their “epiphany”.
