

Lord Jesus, let your name be glorified.

Let your name be glorified in the heavens & the earth.

Let your name be glorified as we pray.

As Easter approaches, may our hearts be open to your story, the sorrow of judgement, the pain of Good Friday, & the glorious resurrection of Easter Sunday.

**Lord in your mercy. Hear our prayer.....**

Gracious Father, we thank you for the opportunity you have given us to share with our community the Easter journey this week. We pray for every child & adult who has walked through our doors. Stir within their hearts the love You have for them & to make this Easter a new beginning in their lives; we pray.

Lord, you know how emotionally costly it is to make the Easter journey as authentic as possible. We lift up Pam & all the volunteers. We thank you for them & ask to have your blessings poured upon them as they rest & recover

**Lord in your mercy. Hear our prayer.....**

Glorious, all powerful God

Your kingdom will come, nothing is impossible with you.

Lord, bring peace to all the nations of the world who are at war.

We pray that compassion & integrity be given to world leaders who strive for a worldly rule, seeking wealth & power, rather than your kingdom of service & peace.

You care for those who are oppressed & marginalised by regimes of terror.

We pray for the vulnerable and needy who live with conflicts daily to have their basic human needs met. Provide hope & aid for all who need you this day.

**Lord in your mercy. Hear our prayer....**

Heavenly Father we pray for health issues surrounding our Royal Family. We lift up before King Charles & pray that his cancer treatment is proving beneficial. We pray for Catherine, Princess of Wales in her recovery from surgery.

Lord, we ask that this Easter time may bring n them renewed health. Pour your blessings upon each one as they strive to serve, despite family conflicts & media intrusion.

Lord, you know how difficult life can be for all of us at times. We pray for the many whose lives are overshadowed by illness or pain or are darkened by sorrow or bereavement.

Healing Lord, in a few moments of quiet we pray for anyone known to us personally who needs our prayers today.

Loving God. Walk with us, let your name be gloried.  
Take hold & capture all our prayers.

**Merciful Father, Accept these prayers for the sake of your Son, our Saviour Jesus Christ. Amen**

As the Saviour taught us...so we pray
