

Praying through the week 11th March 2024
Lent

"Create in me a pure heart, O God, and renew a steadfast spirit within me." Psalm 51:10

This Lent as we prepare ourselves for Easter once again, remembering all that Jesus went through at this time. May we concentrate on opening our hearts to him, and to all things that are good.

Lent Prayer for a Clean Heart

Create a clean heart in me, O God:
a humble heart, a meek heart,
a peaceful heart, a benevolent heart,
a devout heart which does evil to no one,
which does not repay evil for evil,
but overcomes evil with good,
which loves you above all things,
always thinks about you, speaks about you,
gives you thanks, delights in hymns and spiritual songs,
and has its citizenship in heaven. Amen.
