Psalm for Peace

Psalm 29:11 proclaims, **“The Lord gives strength to his people; the Lord blesses his people with peace.”**

We are all now living in a world where there is much to upset our feelings of calm and peace. Whether they are issues directly affecting us, or whether it is larger issues, like war and discrimination. When anxiety and fears begin to shake the foundation of our peace and calm, the power of prayer can bring us comfort.

Dear God, we're in need of your peace and truth to soothe our hearts and spirits right now. We need to be reminded of your constant love, healing, and grace. We ask for your Mighty Power to surround us.

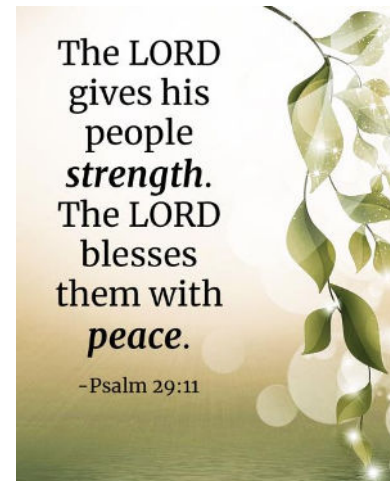

Thank you for setting us free and for showing us that you are bigger than anything we face in this life. We lay our burdens before you, every single one, for we know they're much safer in your hands than our own.

Lord of peace, grant me the tranquillity of heart that comes from knowing You are in control.
