

Heavenly Father,

As we come before You in prayer, we take a moment to be still in Your presence. Together, we lift up our hearts to You with a deep desire to see lives transformed by the light and love of Jesus—within ourselves, in our communities, in our nation, and across the world.

Lord, in Your mercy, hear our prayer.

Gracious and generous Father,

We are profoundly grateful for the many years You have blessed this church and for the countless ways Your generosity has been poured out upon us. By Your grace, You have stirred our hearts to reach out to the hurting and those in need. We have been privileged to witness Your faithful provision, sustaining the practical and financial needs of Your kingdom work.

But Lord, may we not remain mere spectators or grow complacent. Instead, stir our hearts to actively engage in Your divine plan, pressing forward with faith and purpose. Inspire us to give where it is needed and to be a reflection of Your boundless generosity in all we do.

Lord, in Your mercy, hear our prayer.

Sovereign God,

You are God who sees everything & knows everything & so with this in mind we lift up to You the needs of our broken world.

We ask for Your life-changing power to move in places where conflict overshadows peace. We pray for the ongoing political negotiations involving Ukraine, Russia and the United States.

We also acknowledge the deep and complex history surrounding the conflict in Gaza and Israel.

Heavenly Father, we come before You with heavy hearts, lifting these concerns to You. We pray for world leaders, asking that You grant them wisdom and compassion. May they put aside personal gain and ambition, focusing instead on the well-being of their people. Lord, guide and inspire them toward reconciliation and lasting peace.

Lord, in Your mercy, hear our prayer.

Compassionate Lord,

Lord, You know that our lives are not picture perfect either. We thank you for the knowledge that nothing is beyond your forgiveness & no one beyond the limits of your love.

Today, we lift up those who are facing their own personal challenges perhaps believing they are beyond your reach. We pray for those whose lives are overshadowed by illness or are darkened by sorrow. To You Lord, we are not just a face lost in a crowd. You hear us. You walk alongside side us, You are Our Saviour.

Let us rejoice that our lives are transformed by the light & love of Jesus.

Merciful Father Accept these prayers for the sake of Your Son our Saviour Jesus Christ. Amen
