

Praying through the week 30th June 2025

A letter to Abraham.

Dear Abraham,
It's so hard to find the words
that I write to you today.
For you are such a Godly man
In every single way.
Your Trust in God was higher
Than the furthest star above.
And the deepest sea could not compare
To the deepness of your love.
For God sent many angels
To lead you through your life.
And through it all you walked the lands
With your beloved wife.
You trusted God completely
No one on earth could so deny,
For the total love within your heart
When you heard your baby cry.

And now so many years have passed
As we think of you this day.
For your descendants walk upon the lands
The lands on which you'd pray.

I hope we meet you Abraham,
When Heavens Gates do open wide
And we see our God, on his golden throne
With you stood at his side.

PS I hope so. Linda
