

Lets Pray

Heavenly Father, You ARE our Faithful God.

You are our God who makes good on every promise. You lift us from the depths of despair to set our feet on solid ground. You have put a new song in our hearts; you do not with-hold your mercy or your love. You see our inmost parts, you notice our heart desires & you hear our every cry. Truly, You are our Faithful God.

**Lord in your mercy. Hear our prayer.**

You are our constant presence in a world that is ever-changing. Your faithfulness remains until the very end of time. You see wars & the destruction of your beautiful creation. You see the anger, the greed & the pain caused by human choices & still, You remain faithful. Still, You invite us back to You

Heavenly Father, raise us up to be Your faithful people to speak of your love & to stand for what is right. Let our hearts be moved by what grieves yours & our voices be bold in the face of injustice or silence.

**Lord in your mercy, Hear our prayer.**

We turn our hearts to the recent tragedy in Texas this week. Lord, we are stunned by the scale of devastation & we grapple with the “why?” Why did all those young people need to die at their summer camp? We ask that Your grace & faithfulness be sufficient for those grieving & in shock.

**Lord in your mercy Hear our prayer.**

Gracious & Loving God,

Thank you so much for the privilege we have to serve you. To see lives transformed by the love & light of Jesus.

We lift up all our summer activities, especially the Holiday Club. We pray for your protection over every single detail, every single child who attends & all our volunteers as they prepare for a week filled with fun, laughter, and joy.

**Lord in your mercy Hear our prayer.**

Faithful & merciful God,

We pray for our families & those dear to our hearts. Lord, let us spend a moment bringing before you those who need our prayers today.

We gently hand over to You those feeling overwhelmed, anxious or alone.

We pray for those who just need time to heal..... from brokenness or loss..... issues which seem unsurmountable. We pray for each personal concern asking for your healing care.

Strengthen our faith, Lord. Help us to remain faithful to You as we face the opportunities & challenges of the coming week. May we walk in trust, knowing you are walking with us.

**Merciful Father, accept these prayers for the sake of Your Son, Our Saviour Jesus Christ.**

**Amen**
