Deborah – The Judge

DEBORAH - who was she? - Judges 4:5 tells us:

A prophet sharing God's message with her people; a judge solving disputes; a composer of music; a leader and winner in battle; a listener; a sharer of wisdom...and so much more during a turbulent time for her people.

Living in a small village on the foothills of Mount Tabor, Deborah, called by God

- ❖ was a leader who led others to turn back to God...do we ?
- ❖ in her deep faith in God, embraced her unique calling and gifts to praise God...do we? Daily?
- ❖ lived a life of faith, trusting God at all times...do we? Daily ?

Our "callings" from God may perhaps never be on the same scale as Deborah's but when God calls us, chooses us to do something for Him be His hands, feet and voice" on earth. Can we like Deborah sing: "**When the people willingly offer themselves...praise the Lord**"

(Judges 5:2) Do we? Daily?
