

## **Intercessions 10/8/25**

As we pause in prayer: HS re-focus our minds, Father God, lavish your endless love on us, Jesus would you interrupt our agenda with your own

We give thanks that Jesus will return and that He has left us His HS until the work on earth is done. Please help us Heavenly Father to have a vision of Heaven, please show us how we might store up treasures in Heaven by what we think, do, and, say. Help us to play our part in seeing lives transformed by the light and love of Jesus

**Lord in your mercy**

**Hear our prayer**

Father God thankyou for the treasure that is your church here on earth.

Thankyou for the New Wine network and their vision to see local churches changing nations.

Heavenly Father we praise and thankyou for all that you were doing amongst those who attended the New Wine festival last week. As we process all that the HS was revealing whether in the quiet or loud moments, we ask that you Father would be especially close to us, that we might remember and store up all that was from you.

We pray for every generation here at St Paul's that there might be HS inspired unity between all ages. Show us Lord how to grow in depth of discipleship as we serve you.

We praise and thankyou for Emma, our children's worker and Claire our youth worker and for all they have done and will do to promote intergenerational worship. We ask Lord, that you will continue to give us a strategy for children and young people, so that they inherit the faith and become mature disciples.

We pray for the planning and running of the coming holiday club on 26-28 August, for the health and energy of all who are involved, that nothing would come against all leaders and helpers as they store up this treasure. We pray that everyone involved will learn more about becoming a bold believer.

**Lord in your mercy**

**Hear our prayer**

Thankyou Lord for the treasure that is our world and for the people who live in it.

We pray that you would show us how to be good stewards of the precious environment that you created for us to inhabit. Please turn the hearts and minds of world leaders to your strategy to halt global warming.

We ask for your wonder working power for those people whose lives have been robbed of safety and security and cry out to you for a solution for asylum seekers and trafficked people and for those who make their homes in war torn nations.

**Lord in your mercy**

**Hear our prayer**

Thankyou for the treasure that is our community and for the glimpses of Heaven we see within it. Father, keep our hearts tender to those in need today of your rescue and protection and to those you would want us to draw alongside. We cry out to you for those known to us who are sick or bereaved.

Thankyou for the work of the community café in serving families in Letchworth and we ask that all that is given will be received into the hands of those most in need.

We pray for the safety and refreshment of those families on summer holidays, that you would grant them space to align with your will for their lives

**Lord in your mercy**

**Hear our prayer**

As we go into the coming week, fill us up with the love of the Father, help us to lay our lives down in the sacrificial love of the Son and spur us on in the power of the HS

**Merciful Father, accept these prayers for the sake of your Son, our Saviour, Jesus Christ.**
